## 50-Mile Speed To Be Outside Limit Allowed

Alarmed by increasing automobile traffic fatalities, the California Highway Patrol has launched a safety campaign of its own. Capt. E. F. Cassell announced Friday. The highlights:

1. Appointment of Patrolman Charles Eagan to full-time duty on the San Mateo County squad. This increases the squad strength to 16, and permits more adequate patrol of the highways. Captain Cassell said.

2. A strict, impartial enforcement of speed laws. Any person traveling more than 50 miles an hour will be stopped, the captain warned.

"We are starting this campaign because of the increasing number of fatalities in the rural areas," Captain Cassell declared. "The loss of life and property can be blamed primarily on speed, and the patrol is going to hold everybody down to 50 miles an hour and less."

## Plans Program To Expand Unit

Appointment of a secretary-manager and plans for an expansion of activities of the Redwood City Home-Owned Business Association were announced here by Joseph Territo, president.

The new manager is H. Wayne Gillispie, formerly secretary-manager of the Chico unit. He has had five years of experience in work with independent merchants. Before joining with the independents, he was district superintendent of schools at Redding. As a result, he has a large acquaintance among Parent-Teacher and other educational associations.

Territo said that at a joint dinner meeting at Sodin's last week of the boards of directors of the Palo Alto and Redwood City units of Home-Owned Businesses of California Inc., full support of the local board of directors was pledged to Gillispie. He will start at once to build the membership, after which a large program of activities will get under way to build consumer good will towards local home-owned merchants in an effort to keep as many dollars at home as possible by trading at home-owned stores.

Among those present at the dinner meeting were Pres. David Koble of the state organization and State Manager Charles H. Jacobs. Co-operative efforts by both organizations in joint activities were approved by the board members present.

A meeting of the entire Redwood City membership is planned shortly, at which time the proposed activities program will be presented.

## Statements Reveal Campaign Expenses

Three successful candidates in the November general election Friday filed affidavits of campaign expenditures.

Thomas Kane, county controller-elect, listed the cost of his campaign at \$298.26. Manuel J. Bettencourt, re-elected justice of the peace in the fourth (Coastside) district, spent \$70.75, and Gus P. Rizzo, photo-finish victor over William Finger in the fifth (Burlingame) justiceship, spent \$190, according to their sworn statements.

## M. P. Scout Leaders Plan Rummage Sale

To augment their drive quotas, Girl Scout leaders of the Menlo Park area will conduct a rummage sale Friday and Saturday, Dec. 2 and 3, in the empty bank building on El Camino Real, Menlo Park. They ask that scout leaders or workers who have articles to donate for the sale leave them at Girl Scout headquarters, 2395 Broadway, Redwood City.

## Rancher Killed, Two Pedestrians Seriously Hurt

One person was killed—the 50th of the year—and two pedestrians were seriously injured in accidents Friday night on San Mateo County highways.

Death came instantly to Peter Francisco, 45, foreman at the DeBenedetti Ranch near Pescadero, when the car in which he was riding upset on a curve two miles south of Pescadero.

Pedestrians seriously injured are: Arthur A. Burlingame, 45, prominent Burlingame resident, struck by a car on El Camino Real and in Mills Memorial Hospital with a back injury, lacerations and many bruises.

Harold Lohneis, 40, Daly City, hit by a car on San Jose Ave. near the Daly City-San Francisco line, in Junipero Serra Hospital with head injuries and a crushed chest.

Also injured were: Peter Rocchi, driver of the car in which Francisco was riding, in Mills Memorial Hospital with a crushed chest.

Francisco was killed instantly with a fractured skull when the Rocchi car crashed. Coroner William Crosby's office announced. The car apparently hit an obstruction in the road on the curve, Rocchi said, and bounded off the road. Lohneis was struck by a car driven by Edward Koven, Michigan tourist, who was released on \$100 bail after a charge of \$100 had been filed against him.

Burlingame, a prominent Mason and a San Francisco businessman, was walking across El Camino Real toward his home when he was hit. As he neared the center of his street, his wife, Mrs. A. A. Burlingame, president of Burlingame Woman's Club, called him from her car, stopped beside the road.

As Burlingame turned and started back, he was struck by a car driven by Ronald T. Koehler, 2561 Poppy Dr., Burlingame. Burlingame was knocked nearly 40 feet, witnesses said. When police and an ambulance arrived they found Mrs. Burlingame holding her husband in her lap in the gutter, administering to his wounds.

## Soil Erosion District Plans Are Frustrated

San Mateo County's efforts to form a soil erosion control district to prevent filling of the Colma Creek drainage ditch were stymied today because Gov. Merriam has failed to appoint a state soil conservation committee, the board of supervisors was advised today.

A petition signed by the required number of property owners in the Colma Creek basin has been certified and forwarded to the state with a request for an investigation and report at the earliest possible date.

"No action can be taken until the committee is formally organized," wrote Edward Hyatt, state engineer.

## Committees Are Selected

Appointment of standing committees for the remainder of the fiscal year occupied the major portion of a lengthy Junior Chamber of Commerce board of directors' meeting Thursday in the offices of Pres. F. Edmund O'Connell.

In addition to the appointments, the board voted to recommend to the chamber at large at the next general meeting, Dec. 7, that endorsement be given to the Western San Mateo County Progressive Association's plan for a breakwater at Pillar Pt., Half Moon Bay, and the civilian fingerprinting campaign recently inaugurated by the Redwood City Eagles.

The list of standing committees was enlarged to include athletic, city council and city planning commission groups. Previously there had been only finance, membership, program and social activity, publicity and public relations committees.

The list of appointments includes: Publicity—Floyd E. McCue and Walt Peterson.

Public Relations—W. Earl Whitaker, chairman; Louis B. Demateis, Max Thornton; Daniel O'Connell and Dr. Rollo O. La Berge, ex-officio.

Membership—Sanford Ratliff, chairman; Dr. Stanton R. Burns, Gregory V. Sentino, Albert Evans, Leon Newell, Earl Carnahan, G. H. Gibbins and Alfred Walker, ex-officio.

Social and Program—Joseph Maxwell, chairman; Alfred L. Kendrick, Clem Stetson, Darrell Parkin, Joseph O'Kane, Perry Arganbright, Al G. Smith, Eugene Epping and Sam Alberson and William Morrissey, ex-officio.

City Council—Homer Spellenberg, chairman; Tom Tuitt Jr., Arlan Milam, Joseph J. Quigley and F. E. O'Connell, ex-officio.

Planning Commission—Virgil King, chairman; Norbert Lambert, Eddie Raymond, Henry Moras and Ted Seufert III, ex-officio.

Athletics—Andrew C. Stevens, chairman; Carl Britschgi, Ed Tuitt, Walter Stone, Peter Ryan Jr., August Thorn, Al Cofiori, Herluf Olsen and Paul E. Lowe, ex-officio.

## Contractor Is Sued Over Deaths of Pair

J. S. Baker, Burlingame contractor, and his wife were sued here for \$36,400 damages Friday for the deaths Aug. 19 near San Jose of Mrs. Alice Layton of Carmel and her daughter, Miss Vera Burnett. Plaintiffs are Mrs. Edith Barnwell of Carmel and Mrs. Dorothy Machado of Oakland, daughters of Mrs. Layton. Mrs. Layton's husband, S. L. Layton, driver of the machine which collided with that of the Bakers, also was killed in the crash.

## IT'S A FIELD GOAL FOR SEQUOIA!

He's the all-American zero of football, but millions of fans think him the ace high clown of laughter. Consequently, the Fox Sequoia Theater will screen Joe Penner in "Mr. Doodle Kicks Off" for one performance, on Wednesday night. The second feature on this program will be "The Lady Objects," starring radio's favorite, Lanny Ross, and Gloria Stuart.

## City-County Plan Pushed

Consolidation of the city and county governments was advocated Thursday by William H. Morrissey, Redwood City attorney, in an address before the San Mateo County Federation of Improvement Clubs, meeting at San Mateo City Hall.

Morrissey declared that nearly \$1,000,000 could be saved in taxes by this form of government. Seventy-two taxing bodies could be consolidated, he added.

The federation will appoint a special committee to study the merger plan and make recommendation for recommendation by the entire body. Establishment of trade schools for San Mateo County institutions in which young men and young women might study various vocations, was discussed but no recommendation was taken.

Better protection and more adequate signals and markings for grade crossings and highway intersections in the county were advocated in a resolution adopted unanimously. The resolution, prepared by the organization's public works and utilities committee, asked co-operation with county safety campaigns.

Securing of a breakwater and formation of a protected harbor at Half Moon Bay was endorsed also.

## Final Chest Drive Set by Directors

With the Redwood City Community Chest having had slightly more than \$8000 subscribed, a final attempt will be made at once to wind up the solicitation, with prospects being that the campaign eventually will see \$8500 pledged. This was announced Saturday of J. Elmer Morrish, president of the chest directorate, following a meeting of the board to redistribute the cards of prospects who have not yet made subscriptions.

Morrish said that if all those who will be solicited paid what it was believed they could afford to pay, the original goal of \$10,000 would be more than reached, but that it was believed the total for the chest would not fall under \$1500 below that total and might be more.

A migration of grasshoppers last July from states to the east of Montana cost farmers of eastern and northeastern Montana approximately \$6,380,000.

by the federation, at request of the Half Moon Bay Lions Club and the Western San Mateo County Progressive Assn.

Deportation of indigent and criminal veterans was favored in a third resolution, presented by San Carlos Community Club.

## You'll be Thankful...

## YOU JOINED THE EASY CHAIR LEAGUE

THIS IS THE SEASON when families everywhere give thanks for the good things of life. Good friends, the festive tables, the holiday spirit in the air, the just-right climate, all serve to bring forth a universal expression of thanksgiving—that it is good to live here in California.

THIS IS THE LAND where Life is Better. Gardens are spread with masses of colorful blossoms instead of drifts of snow. Rains wash the streets and cleanse the air as a prelude to the return of sparkling clear days. Within the California homes of Easy Chair Living, as quiet and as effortless as a warm Spring breeze, Gas Heat circulates its welcome warmth.

THIS IS LUXURY LIVING and it is marked with the price tag of economy. A California winter becomes months of ease and contentment. Gas—the perfect fuel—comes delivered in a pipe. It is ordered up to work as easily as turning on a light switch. It is one of the many good things all Californians can enjoy without restraint and it is also one of the big reasons why thousands of Eastern folk say—"you can live better—and longer!—for less money in California."

## Roll Call Reports Prove Heartening

Early returns in the Red Cross Roll Call, which closes Thanksgiving Day, indicate the Pacific area is generously responding and giving an expression of gratitude for the organization's great humanitarian service, according to A. L. Schafer, manager of the Pacific branch.

Cordova and Wrangell, Alaska, were first to report "over the top" from the Far North territory. Preliminary reports from Yuma, Ariz.; Reno, Nev.; Alhambra and Monrovia, Calif.; Seattle, Wash., give a cross-section picture of success. Final returns will show a substantial increase over the present Pacific area membership of 521,000, Schafer predicted.

Under direction of Atty. Wayne R. Millington, a committee is soliciting memberships in Redwood City simultaneously with the campaign being conducted elsewhere.

## County's Building At Fair Near Finish

The Mission Trails building at Treasure Island, which will house the exhibits of San Mateo and other central coast counties, is nearing completion far in advance of other county-unit buildings, according to Supervisor Fred E. Beer, chairman of the Mission Trails Exposition Committee.

## Hearing on Survey Delayed for Doctor

Efforts of the board of supervisors to bring Dr. F. A. Carmelia, senior surgeon of the United States Public Health Service, to its Nov. 29 meeting to discuss a proposed USPHS survey of the county health department, failed today. The board was advised that Dr. Carmelia is in Hawaii and will not return for three or four weeks.

Supervisor Fred E. Beer said he had received information that Dr. Carmelia would return on Nov. 30. The Nov. 29 hearing will be postponed until the surgeon returns, Beer declared.

From Alameda County the board learned that the supervisors had appropriated \$750 for a similar survey there in 1930. The San Mateo County survey was originally urged as a free federal service.

## San Carlos Man's Father Succumbs

Mr. Jacopi, husband of Adelina Jacopi, was 70 years of age. Funeral services will be held Monday at 9:30 a.m. at the mortuary of Grosso & Simoni, 1548 Stockton St., San Francisco, after which requiem mass will be held at Saints Peter and Paul's Church.

**Garlic-Parsley an Aid in HIGH BLOOD PRESSURE**  
Medical reports say that Garlic-Parsley concentrate has a double action in reducing high blood pressure. First, it tends to relax tightened arteries. Second, it checks or inhibits decomposition of waste matter in the bowels, a contributory cause of high blood pressure. To get concentrated garlic and parsley in odorless, tasteless form, ask for ALKALIN. These tablets, used repeatedly at regular intervals, aid in reducing blood pressure and relieving headache and dizziness caused by stressfully high readings. To learn what raises your blood pressure and for medical treatment consult your doctor. Large box, 50c. Special economy size, \$1.00.
